The Honorable Rosa DeLauro  
Chairman  
House Appropriations Committee  
Washington, D.C. 20515

The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$2,750,000 under the Economic Development Initiative for Phase 2 of the Pier 93 Park in West New York, New Jersey. The intended recipient is the Town of West New York, New Jersey located at 428 60<sup>th</sup> Street, West New York, NJ 07093.

The project, which received funding in the FY2022 Omnibus for the planning stage, would be a valuable use of taxpayer funds because it will further support the town's goal to create additional outdoor space in a densely populated, urban area. Access to additional outdoor space will greatly improve the quality of life for residents of West New York, NJ. Specifically, this additional funding will go towards addressing engineering issues with the pier, which has been left to fall into disrepair. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Albio Sires  
Member of Congress
